BILBAO | 2nd MARCH 2023 - 10.00A.M.

CONGRESS CENTRE EUSKALDUNA - SALA 2VIP

 Avda. Abandoibarra, 4 · 48011, Bilbao

The Festival, which has been organized by the Rubes Triva Foundation, in cooperation with Urbino University, in synergy with INAIL, Focal Point of the European Agency for Safety at Work, aims to be a place for discussion and debate in the European context to spread and promote the culture of health and safety in the workplace.

The debate, which will be held in Urbino from the 21st to the 23rd of June, was launched last year and it takes up the invitation that has come from many quarters of choosing for the second edition the theme of **“good organization”** as a decisive condition for the **well-being of workers** in the workplace.

On 2 March in Bilbao, the event organised with the collaboration of INAIL, focal point of the European Agency OSHA, during which the following will be officially announced publication of the Urbino Charter with the simultaneous opening of the subscriptions on the Festival website.
